

At AA Euro Healthcare we understand that making decisions about your career in healthcare is extremely important. That is why our expert team is here to help you every step of the way whether you are entering the healthcare workforce, changing positions, or relocating to progress your career here in Ireland

We are actively recruiting skilled Temporary Relief Healthcare Support Workers to join a leading Intellectual Disability residential service facility based in **County Donegal**

Shift patterns day shifts, waking night shifts and sleepover shifts.

Benefits of working with us:

- Weekly pay
- Variety of shifts available to suit your lifestyle - days/nights/weekends
- Gain healthcare experience and training opportunities
- Progression and permanent opportunities

Your main responsibilities will include

- Work positively and constructively with young adults who present with challenging behaviour.
- Support the Person in Charge and other Care Workers in providing a high quality service.
- Personal care - helping those that require assistance in such tasks as dressing, washing, etc.
- Ensure that the health and welfare of staff and clients is maintained in accordance with procedures and that all safety precautions are implemented

Requirements:

- **Healthcare related qualification (QQI Level 5 or equivalent)**
- **MAPA training/Crisis prevention - MANDATORY REQUIREMENT**
- **CPR or First Aid Training preferred**

- **Eligible to work in Ireland (only candidates with a current work visa will be considered)**
- **Minimum 6 months, experience working within a healthcare setting**
- **Ability to work independently and as part of a team**
- **Good natured, honest, and reliable**

This is a fantastic opportunity for candidates of all levels to gain more experience and progress their career within the healthcare sector
